Remarks

(Remarks are not for responding to an office action.)

Sir: Applicant submits herewith information of which he is aware, which may be material to the patentability of any claim and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56. The prior art references are set forth on the attached substitute for Form 1449A/PTO. The Applicant respectfully requests that the Examiner give full consideration to the information disclosed herein, make it of record in this Application, and complete and return a signed Form PTO-1449. In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not

be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. While this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, it is not intended to be construed as an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 CFR 1.56(b). In compliance with 37 CFR 1.97, this information is submitted prior to the mailing of a first Official Action. Therefore, no fee is due.
